Answers to Frequently Asked Questions

Our tournaments are generally run every other Wednesday from April to September

Tee times are usually between 8 am and 9 am; times may fall slightly on either side, depending on tournament participation

If you have constraints for early or late times, we do our best to accommodate you

We usually play the course designated as the 9 hole course; tee sheet mailings will tell what course we are playing that week

Club notifications are generally sent via e-mail; please be sure your e-mail address is legible when filling out the application!

You do not need to join with a partner; we will pair you up with a partner for team events if needed

The sign up envelope allows for playing with specific partners via the "#" column. Use the same number for all who want to play together. But, don't use a number that's already taken!

You do not have to play in every event

We have coffee and snacks after each tournament; you are free to partake even if you didn't play in the event!

We run two ABCD events, where pairings are made by the committee; these are intended to provide the opportunity to play with club members you may not know well. Requests to play with specific members generally will not be honored unless there is good reason.

Tournament entry fees are generally \$3. There are two exceptions; then Great Balls of Fire is \$4, and the Club Championship is \$5.

Prizes are generally paid out to 1/3 of the field. Closest to the Pin prizes are \$5, and we pay one spot on two par 3's. Par 3 contests on all 4 par 3 holes in the Club Championship paying 2 spots!

Local Rules to Govern All Senior Club Play at Stanley

1. You may lift and clean ball from ALL places and replace ball within 6 inches of its original location. (If ball was in the rough or in a trap, you should replace it in the rough or trap.)
2. You may rake sand and replace ball in all traps as needed.
3. You may not improve your position to the green. (As an example - if your ball lands behind a tree you are not allowed to move it to a point where the tree is no longer an obstacle.)
4. Individual players may, of course, choose to play the ball in its original location without taking advantage of the above.

Post Scores Online!

ALL your scores at Stanley must be recorded online in the Handicap Golf Portal.

You may post scores from other clubs, too

If you have trouble with the online site, you can use seniorclubatstanley@gmail.com to ask for help.

The link for the portal is:

<http://stanley.golfclub.net>

Your password, if you don't already know it or forget it, is available on request via club e-mail at seniorclubatstanley@gmail.com

If you enter scores hole-by-hole, the maximum is adjusted automatically. Otherwise you will have to adjust the total manually to limit the score on any hole to the net double bogey maximum.
